

What exactly is a BiFolkal Kit? How do I use one? Check out our newest DVD, *A Time Machine Called Memory*, which introduces you to the kits & explains how to use them in resident activities! Then borrow one of the 19 complete BiFolkal Kits from SEKLS, & let the fun begin!

***BiFolkal Visit Kits
for Better
Bedside Visits***

**One-on-one
visit kits**

Different than the complete BiFolkal kits, but just right for a one-on-one visit by staff or volunteers! Visits are more meaningful when directed. Volunteers are more eager to return when they have direction. Each kit includes a question sheet, discussion card & "artifacts" to "remember when" for a specific topic: ***Advertising, Courting, Cure-Alls, Fabrics, Gardening, Hair, Hats, Main Street, Picnics, Table Games, Vacations, or Visits***

Also available is the Visit Kit Manual, ***Time Well-Spent***. Use it to set up or expand a visiting program. Learn how to recruit & organize volunteers, motivate & train visitors, & document the visits.
